Objective

To secure an intern or junior front-end developer role where I can apply my skills in React, Tailwind CSS, and related technologies, challenge myself in my first industry position, and grow while contributing value to the team.

Profile

Driven and adaptable career shifter with a passion for web development, bringing over a decade of problem-solving and workflow optimization experience from logistics and administration. Skilled in React, Tailwind CSS, and related libraries, with the ability to quickly grasp new concepts. As a hobby, I explore Linux OS, built my own self-hosted cloud, and developed an offline AI tool.
